Purpose

To outline the processes that Edenbrook Secondary College will follow to recruit, screen, supervise and manage volunteers to provide a child safe environment, and to explain the legal rights of volunteers.

Scope

This policy applies to the recruitment, screening, supervision and management of all people who volunteer at our school.

Definitions

Child-connected work: work authorised by the school governing authority/provider of a school boarding services and performed by an adult in a school or school boarding premises environment while children are present or reasonably expected to be present.

Child-related work: As defined by the *Worker Screening Act 2020 (Vic)*, child-related work is work that usually involves direct contact (including in person, over the phone, written and online communication) with a child that is a central part of that person's duties. It does not include work that involves occasional direct contact with children that is incidental to the work.

Closely related family member: parent, carer, parent/carer's spouse or domestic partner, stepparent, parent/carer's mother or father in-law, grandparent, uncle or aunt, brother or sister, including step or half siblings.

Volunteer worker: A volunteer school worker is a person who voluntarily engages in school work or approved community work without payment or reward.

School work: School work means:

- Carrying out the functions of a school council
- Any activity carried out for the welfare of a school, by the school council, any parents' club or association or any other body organised to promote the welfare of the school
- Any activity carried out for the welfare of the school at the request of the principal or school council
- Providing assistance in the work of any school or kindergarten
- Attending meetings in relation to government schools convened by any organisation which receives government financial support

This is a broad definition and means that volunteers who participate in school community activities, such as fundraising and assisting with excursions, are legally protected (ie indemnified) from action by others in the event of an injury or accident whilst they are performing volunteer school work in good faith.

Policy

Edenbrook Secondary College is committed to implementing and following practices which protect the safety and wellbeing of children and our staff and volunteers. The College also recognises the valuable contribution that volunteers provide to our school community and the work that we do. The procedures set out below are designed to ensure that Edenbrook Secondary College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to forward their details to the College outlining what areas they would be able to assist with.

At times the College will alert the families of students that they are calling for volunteers to help with specific events (Performing Arts, Music, Sports & Second-hand uniform/Book Sales). In such a situation, there will be specific information provided as to how volunteers would indicate their willingness to be involved.

Suitability checks including Working with Children Checks

Working with students

Edenbrook Secondary College values the many volunteers that assist with the Performing Arts, Careers and Pathways events, Musical events and second hand book/uniform sales.]. To ensure that we are meeting our legal obligations under the *Working With Children Act 2005* (Vic) and the Child Safe Standards, Edenbrook Secondary College is required to undertake suitability checks which may include a Working With Children Check, proof of identity, qualification, work history involving children and/or reference checks.

Considering our legal obligations, and our commitment to ensuring that Edenbrook Secondary College is a child safe environment, we will require volunteers to obtain a WWC Check and produce their valid card to Reception for verification and to be copied for filing in the following circumstances:

- Volunteers who are not parent/family members of any student at the school are required to have a WWC Check if they are engaged in child-related work regardless of whether they are being supervised.
- Parent/family volunteers who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is not participating, or does not ordinarily participate in, the activity.
- Parent/family volunteers who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- Parent/family volunteers who regularly assist in school activities, regardless of whether their own child is participating or not
- Parent/community School Council members sitting on School Council with student School Council members, regardless of whether their own child is a student member or not

In addition, depending on the nature of the volunteer work, our school may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, parents and friends club coordination, during which children will not be, or would not reasonably be expected to be, present.

At Edenbrook Secondary College, volunteers for this type of work will still be required to provide a valid WWC Check, proof of ID.

Training and induction

Under the Child Safe Standards volunteers must have an appropriate induction and training in child safety and wellbeing.

To support us to maintain a child safe environment, before engaging in any work where children are present or reasonably likely to be present, volunteers must familiarise themselves with the policies, procedures and code of conduct referred to in our Child Safety Induction Pack and ensure the actions and requirements in these documents are followed when volunteering for our school.

Depending on the nature and responsibilities of their role, Edenbrook Secondary College may also require volunteers to complete additional child safety training.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow our school's policies, including, but not limited to our [Child Safety Policy](#) / Statement of Commitment to Child Safety, our [Child Safety Code of Conduct](#) and our [Statement of Values](#). Volunteer workers will also be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to [Equal Opportunity and Anti-Discrimination](#), [Sexual Harassment](#) and [Workplace Bullying](#). The principal has the discretion to make a decision about the ongoing suitability of a volunteer worker and may determine at any time whether or not a person is suitable to volunteer at Edenbrook Secondary College.

Edenbrook Secondary College will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in.

All volunteers will be provided induction in relation to Edenbrook Secondary College's child safety practices, including reporting obligations and procedures. Our school has a Child Safety Reporting Obligations Policy which all staff and of which volunteers need to be aware.

The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Privacy and information-sharing

Volunteers must ensure that any student information they become aware of because of their volunteer work is managed sensitively and in accordance with the [Schools' Privacy Policy](#) and the Department's policy on [Privacy and Information Sharing](#).

Under these policies, student information can and should be shared with relevant school staff to:

- support the student's education, wellbeing and health;
- reduce the risk of reasonably foreseeable harm to the student, other students, staff or visitors;
- make reasonable adjustments to accommodate the student's disability; or
- provide a safe and secure workplace.

Volunteers must immediately report any child safety concerns that they become aware of to a member of staff to ensure appropriate action. There are some circumstances where volunteers may also be obliged to disclose information to authorities outside of the school such as to Victoria Police. For further information on child safety responding and reporting obligations refer to: [Child Safety Responding and Reporting Obligations Policy and Procedures](#).

Records management

While it is unlikely volunteers will be responsible for any school records during their volunteer work, any school records that volunteers are responsible for must be provided to the Business Manager to ensure they are managed in accordance with the Department's policy: [Records Management – Schools](#).

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers Compensation Policy if they suffer personal injury in the course of engaging in school work.

Property damage

If a volunteer worker suffers damage to their property in the course of carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party
- damage to or the destruction of a third party's property.

Contact & Personal Details Form

It is a requirement of Edenbrook Secondary College, that all volunteers complete the required Contact & Personal Details Form and submit a copy to the Business Manager to be kept on file.

Sign in/Sign out

All volunteers must sign in and out via Compass Kiosk and will be issued with a visitor pass to be worn at all times.

Privacy

Volunteers may occasionally access personal information of students, staff and others in the school community. There are legislative requirements that prescribe how an individual's personal information can be collected, used and disclosed, stored and accessed.

Personal information is any information that identifies an individual; it includes information relating to enrolments, health or academic progress.

Schools have a responsibility to ensure the personal information they possess is used for the purposes it was collected and is adequately secured.

Volunteers must:

- Not disclose personal information accessed in their role
